

The Burmese Christian Fellowship, together with International Connections and  
LeaDev Int'l NZ invites you to the **2<sup>nd</sup> annual . . .**

Since **Cyclone Nargis** devastated the delta region of southern Myanmar, killing nearly 140,000 people, and displacing or affecting 2.4 million others, the Christian community in Myanmar has been very active in showing the compassion of Christ to victims, regardless of race or religion, gender, age or class. The Burmese Christian Community in West Auckland is pleased to invite you to taste their food and culture in a sit-down meal, enjoy dances and songs from Chin, Kachin and Karen tribal groups, **and hear the latest report from Dr Aung Mang, Principal, MEGST, Yangon.** Aung has been personally out to the delta region, and has been overseeing aid distribution and relief and rebuilding works, some supported by the generosity of NZers, including those who came to last year's Love Burma Dinner.
